

THE GREENWICH YACHT CLUB

PARTIES

2022-2023

We are delighted to introduce you to The Greenwich Yacht Club. GYC is London's hidden riverside gem located next to the O2. The Club has 2 stunning event spaces available for hire throughout the year for 20 to 200 guests making it the perfect venue for that unique event that won't fail to impress.

A photograph of a wooden boat on a pebbly beach. The boat is the central focus, with its mast and rigging extending upwards. In the background, a modern, multi-story clubhouse with large windows and a prominent white chimney stands on a wooden pier. The sky is blue with scattered white clouds. The text is overlaid on the upper right portion of the image.

Greenwich Yacht Club was founded in 1908 by a group of Thames watermen and sailors. The first Clubhouse was situated on the beach adjacent to the current clubhouse in a large landed barge. In 1999 the Yacht Club moved to its current home on the ever changing peninsula and now boasts two fantastic venues...

...The Clubhouse, which sits on top of the Thames, has stunning panoramic river views taking in the Millennium Dome, the Thames Barrier and the Olympic Park.

The River Rooms are a purpose built event space also with wonderful views and an outside decking area making it the perfect setting for parties.

A close-up photograph of a gourmet dessert. The main element is a perfectly spherical chocolate sphere with a glossy, dark purple-brown finish. It sits atop a thick, golden-brown, textured base, likely a biscuit or shortbread. The sphere is garnished with dark chocolate shavings and small, bright orange zest pieces. The entire dessert is presented on a light blue, circular plate with a subtle, concentric pattern. The plate is artfully decorated with a trail of chocolate shavings and orange zest, along with a small sprig of fresh green mint and two small, pale yellow dollops of cream or butter. The background is softly blurred, showing a wooden surface.

BRINGING A SNACK TABLE

Sometimes you just want to have a party and not worry about providing food for guests. We always advise that you provide something and we can do a small snack buffet for you or you can do this yourself to save costs. This is fine as long as it is prepped and plated off site and would not incur any extra costs.

Please note that you would not have use of any kitchen facilities, serving equipment or waiting staff to help with this.

A close-up photograph of a glass terrarium. The terrarium is filled with a layer of light-colored sand at the bottom. Above the sand, there are several seashells of various sizes and colors, including white, cream, and blue. A string of small, warm-white LED lights is draped throughout the terrarium, creating a soft, glowing effect. The background is blurred, showing a warm, indoor setting.
