In 1999 the Yacht Club moved to its current home on the ever changing peninsula and now boasts two fantastic venues...

...The Clubhouse, which sits on top of the Thames, has stunning panoramic river views taking in the Millennium Dome, the Thames Barrier and the Olympic Park.

A close-up photograph of a gourmet dessert. The main element is a perfectly spherical chocolate sphere with a glossy, dark purple-brown finish. It sits atop a thick, round, golden-brown biscuit base. The entire dessert is garnished with a generous amount of dark chocolate shavings and small, bright orange zest pieces. The dessert is presented on a light blue, textured ceramic plate. In the foreground, there is a decorative arrangement of chocolate shavings, orange zest, and a small sprig of fresh green mint. The background is softly blurred, showing a wooden surface.

BRINGING A SNACK TABLE

Sometimes you just want to have a party and not worry about providing food for guests. We always advise that you provide something and we can do a small snack buffet for you or you can do this yourself to save costs. This is fine as long as it is prepped and plated off site and would not incur any extra costs.

Please note that you would not have use of any kitchen facilities, serving equipment or waiting staff to help with this.

Above the sand, there are several seashells of various sizes and colors, including white, cream, and blue. A string of small, warm-white LED lights is draped through the terrarium, creating a soft, glowing effect. The background is blurred, showing a dark, out-of-focus interior space.
