

THE GREENWICH YACHT CLUB

WEDDINGS

2024

Welcome to Greenwich Yacht Club,
London's hidden riverside gem.

A photograph of a wooden boat on a pebbly beach. The boat is the central focus, with its mast and rigging extending towards the top left. In the background, a modern, multi-story clubhouse with large windows and a prominent white chimney stands on a wooden pier. The sky is blue with scattered white clouds. The text is overlaid on the upper right portion of the image.

Greenwich Yacht Club was founded in 1908 by a group of Thames watermen and sailors. The first Clubhouse was situated on the beach adjacent to the current clubhouse in a large landed barge. In 1999 the Yacht Club moved to its current home on the ever changing peninsula and now boasts two fantastic venues...

THE GREENWICH YACHT CLUB

THE RIVER ROOMS

The River Rooms is our dedicated event venue made up of 3 adjoining spaces.

- **The main hall**
- **The reception hall**
- **The outdoor decking**

The rooms are hired as one and allow your day to flow seamlessly from one element to the next.

The sun terrace allows guests to enjoy the weather when the sun decides to shine and can host Barbeques and Hog Roasts if you want to mix up the catering a little. You can also put up a marquee if you don't want to gamble on the British weather.

The lounge bar gives everyone a place to relax and enjoy a drink whilst they mingle with all the guests.

Our main hall doubles up as our ceremony room. With its floor to ceiling windows the venue is light and bright and provides fantastic river views.

Concertina doors and a completely surrounding balcony means that guests can enjoy the river views to their hearts content.

EVENING FOOD

Tel. 07838 116972

Pizza Squad serves wood fired pizza from their transformed sprinter van, using sustainably sourced wood from the London log company. Their Pizza oven was custom made for them in Italy to fit inside their mobile kitchen in the van.

Gianni's experience in creative cooking in London, added to his early years working in his parents Pizza restaurant in Italy make the perfect match for the culinary offerings of Pizza Squad, which began from his and Adrian's desire to take restaurant quality food to people on the street, after 30 years of working in top London restaurants.

It took them 6 months to find the right recipe for their thin and crispy dough such as you'd find in Tuscany, which is where Gianni hails from, and our Tomato sauce is a fine balance of Italian Tomatoes, Garlic, Onions, extra Virgin Olive oil and fresh Basil. Gianni develops and cooks all our toppings to create a dish that's "More than just Pizza"!
